Biscotti

\$1.25 each \$7.50 package of 6 \$14.00 per dozen

Frangelico Chocolate Toffee Chunk Biscotti

Awarded a place in the Southern Living Magazine National Cook-Off. 20,000 wanted to go, only 15 got to go and Frangelico Chocolate Toffee Chunk was one of them!

Anyone who tries them, loves them! They'll convert a non-biscotti fan to a lover.

Dark Chocolate Almond Anise Biscotti

"Biscotti" means twice baked and originated during the days of the Roman Empire when they served as food for travelers and soldiers. Often made with almonds, this one is dressed up with Galliano, anise seed and dark chocolate.

Amaretto Double Chunk Biscotti

Amaretto is an almond flavored liqueur, but did you know that it is often made from the seed of an apricot? Try this biscotti and see how well these flavors can tempt your taste buds: dark chocolate chunks, apricot chunks and Amaretto.

White Chocolate Almond Ginger Biscotti

This biscotti has the zip of ginger and spices along with almonds and molasses. A smooth coating of white chocolate is the perfect calm over the gingery cookie.

Cranberry Orange Toasted Pecan Biscotti

Notice how the orange liqueur is just the right complement to the cranberry and toasted pecans in this biscotti cookie, but it's the orange zest in the white chocolate drizzle that really tops of the taste sensation in this biscotti! This is simply delicious!

Limoncello Cherry Biscotti

Limoncello is a lemon liqueur originating in Southern Italy where the produce of the Mediterranean climate is abundant. Why not marry this zesty lemon flavor with the tartness of a dried plump cherry and coat it with white chocolate laced with lemon zest? Oh my!!! Just the right combination!! Enjoy, my friends!

Fresh" Almond Granola
\$7.50 per pound \$5.00 10 ounce gift bag \$2.00 snack size

That's the Enjoy Biscotti difference, this granola is made fresh for you. Toasted to achieve just the right amount of crunch, Almond Granola is made with Organic Oats direct and fresh from the farmers in our midwest; Colorado Honey and this guy doesn't use chemicals on his bees. Add Flaxseed Meal and Wheat Germ, you've got a great tasting, 'good for you' granola for all of the family to LOVE.
